# MARCTOWN BOARDS

We load our handmade, oak boards, with a wide selection of delicious nibbles, bites, and treats. Great for one, just as good for two, but can be made for your entire group to share.

Big Board for One: £8

Sharing Board for Two: £14.50

Each Additional Diner: + £7

## Charcuterie Board

This board is piled with delicious and exclusive cured meats, including Chorizo Picante, Lomo de Bellota, Salchichon, Sobrasada, and the uber-classy Jamon Iberico Bellota, with breads, almonds, mixed olives, and preserves.

## Cheese Board

Bursting with top-quality, flavoursome cheeses from the Scottish institution that is I.J. Mellis, this board has an ever-changing selection - from soft and creamy, to hard and mature! Served with apple, grapes, almonds, chutneys, boutique crackers, and fruit toasts.

## Meat & Cheese Board

Did the first two boards sound great? Still can't decide? Good news - this option takes all that stress away! We'll pick some gems from each board for you, so you can taste the best of both worlds. (there's a reason it's the most popular option!)

*For the veggies...*

**Dip Board (v)**

**£7.50**

Mix it up by adding our broad array of yummy dips all potted up on our board with delicious sides. Fresh houmous, zesty salsa, rich paprika mayo, and voluptuous alioli. Soak up the goodness with toasted pitta, and savoury tortillas

*For the super-hungry...*
